

Thank You For Supporting The Plaque Program

To all the Nobles and Ladies who Support the Children Through the Aleppo Plaque Program:

This list contains all the Nobles, Ladies and friends who have contributed to the Aleppo Plaque Program this year. Together they have donated, \$15,104.00 this year to the Aleppo Children's Transportation Fund. We wish to thank all of them for their outstanding efforts to benefit our local Hospitals and Children.

Our intention is to make this an annual event and recognize them for their continuing donations at the close of each year. Depending on which plaque they have ordered, each has committed themselves to either five or seven years of contributions. These are fully tax-deductible and allow Aleppo to support the patients of both the Boston Hospital and Springfield Hospital.

Many of these plaques are completely filled as of this year. It is our intent to send you a reminder next year to renew your commitment. A new plaque will be automatically ordered and hopefully the whole process will repeat itself.

Again, we thank and praise you for your ongoing investment in this most beneficial fund.

Thankfully yours,

Peter K. Stone and the Committee
