

THE CAPE COD Fire Brigade's new toy, a 1914 Model T with a full working Calliope.

Cape Cod Fire Brigade Welcomes Their New "Baby"

By BOB GOLD

THE Cape Cod Fire Brigade has acquired a new piece of equipment to further enhance their presence, and decibels, at parades and other Aleppo sponsored events.

The 1914 Model T with a full working Calliope will proudly lead the way representing the proud Nobles of Aleppo and the Cape Unit. Although there is no volume control and can be a bit LOUD, it is sure to put a big smile on the faces of the people lining the parade route.

In mid-November Chief **Jack Grant** and Deputy Chief **Frankie Mason** traveled to Indiana to get a new custom built trailer for the Model T and after working out a few kinks and loading it in its new home (the new truck was at the Aleppo Shrine Center after its debut at the November 14, 2009, Ceremonial) all was smooth sailing back to Cape Cod.

The Unit would also like to welcome their newest members, Nobles; **Sturgis St. Peter**, **Doug Flynn** and **Douglas Sederquist**. If you are interested in joining this very active Unit contact Jack Grant at capt.jack@verizon.net.

CHIEF **Jack Grant** and Deputy Chief **Frankie Mason** traveled to Indiana to get a new custom built trailer for the Model T. They stopped by the Aleppo Shrine Center to pick up the truck and get it in the trailer for its ride home back to the Cape. From left to right are: Chief **Jack Grant**; Aleppo Recorder, **Peter K. Stone**; and Deputy Chief **Frankie Mason**.

Transportation Unit

By MARK NORTON

HELLO Nobles! I hope everyone has enjoyed the holidays. Transportation has been busily preparing for the next season parades as well as transporting units to parades right up to the end of December. Many members of our unit have been busy running shuttle buses around the auditorium as well as selling tickets in the box office for the various events and taking the units to the many parades we participated in. A big thank you to everyone who helped out.

We have had several new Nobles join the unit this year but we are still a few short of our membership goal for new Nobles.

A big thank you to all the members and friends who have donated their time, help and equipment for our parades and events.

We have been extremely busy this fall season in support of the marching units and the Temple. We had five trailers and a bus at the Northeast in Burlington, Vermont, and all the units did extremely well in the competitions and the parade was a huge success.

Our Past Captain and Entertainment Chairman **Winson Snook** is busy working on a get together for our unit in early Spring.

The equipment has been updated; the old buses have been replaced with a new user friendly bus and it would be great to see more members help out with the shuttle bus and the box office. The new bus came just in time for transporting the patients and families to several outings sponsored by various units of the Shrine. Everyone had a wonderful time.

The road crew took the Motorcycle Unit and the Motor Patrol Unit to the Imperial Session in San Antonio for another successful and fruitful outing. "Lovely weather." We will be travelling to Toronto next year for the next Imperial Session.

Thank you everyone for your dedication and hard work and hope to see everyone at the Ceremonial and the Re-Enlistment Dinner.

P.S. Anyone who is re-enlisting must show up and fill out a new application, we need to update everyone's info.

ALEPPO MOUNTED PATROL JOIN THE MOUNTED PATROL

NEEDED
