

North Shore Shrine Club Installs New Officers

By GLOVER BROUGHTON

ON Sunday, February 24, 2008, the North Shore Shrine Club held its Installation of Officers at Philanthropic Lodge in Marblehead. Illustrious Potentate, **Stephen G. Eriksen**, with Lady **Lynne**, Past Potentates and many Officers and guests attended the Installation and Ladie's Night Dinner Festival.

Fried shrimp and baked chicken led off the menu ending with strawberry shortcake and everything you could imagine in-between. A total of eighty-six were in attendance, and all enjoyed the inspirational words of Illustrious Eriksen.

As is the normal quote for an evening get-together of Shriners goes, "a good time was had by all."

Illustrious Potentate **Stephen G. Eriksen** swore in the North Shore Shrine Club Officers for 2008. Left to right are: **Stephen G. Eriksen**, Aleppo Potentate; **Emerson Brown**, Treasurer; **Donald Grant**, Secretary; **David Cross**, President; and **Paul (Lefty) Johnson**, 1st Vice President.

First in Shriners Hospitals System to Receive the Magnet™ Distinctive Recognition

SHRINERS Hospitals for Children— Cincinnati has proudly received Magnet™ Designation from the American Nurses Credentialing Center.

The Magnet™ Recognition Program recognizes quality patient care, nursing excellence and innovations in professional nursing practice. It provides consumers with a benchmark to measure the quality of care they can expect to receive.

The Cincinnati Shriners Hospital, which specializes in pediatric burn care, has been working toward Magnet™ designation for several years. The Cincinnati hospital is the first within the Shriners Hospitals for Children health care system to receive this prestigious award and the first pediatric hospital in the greater Cincinnati area to receive the honor.

"For many years, we have felt that our nursing

care is truly exceptional," said Angie Allen-Jackson, RN, MHA, Director of Patient Care services at the Cincinnati hospital. "Receiving this award verifies that we deliver state-of-the-art, quality nursing care to our patients every day. While this is a nursing award, it is the collaborative effort by all staff that brought us this recognition."
