

All-Star Classic

..... from page 1

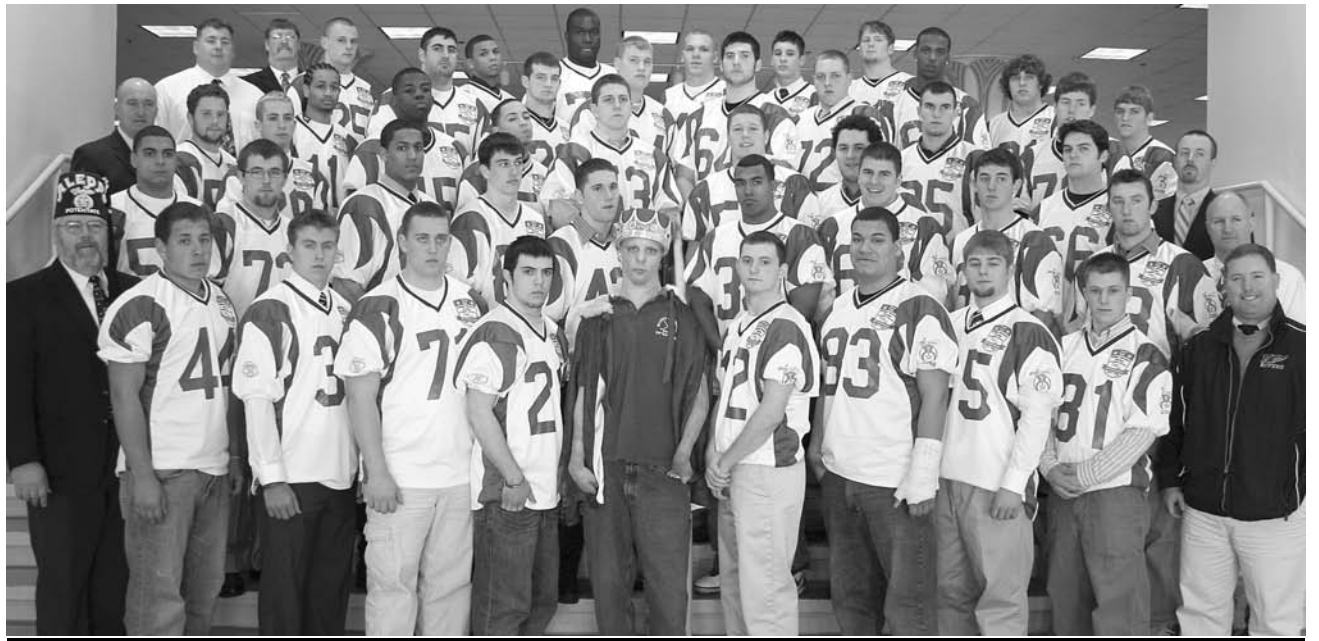

Al Costabile North Squad Liaison. Aleppo's Potentate, Illustrious **Stephen G. Eriksen**, then congratulated the players on their selection and informed them that Aleppo had already expended more than \$180K for transportation in 2008. He also introduced the Game King **Stephen Cullinane** and the Game Queen **Carrie Holstrom**.

Following the introductions of the King and Queen, the **Megan Johnson** patient video was played. This heartwarming story was well received by the players and parents who attended the session and served as a reminder that a single person can indeed make a difference in the lives of many. The video was followed by the announcement that that fundraising goal for this year's Football Classic was \$100,000. The Game Chairman then explained the contents of the players packet and encourage the players to work hard and sell the many products the game offers in order to make the event a financial success for the transportation fund.

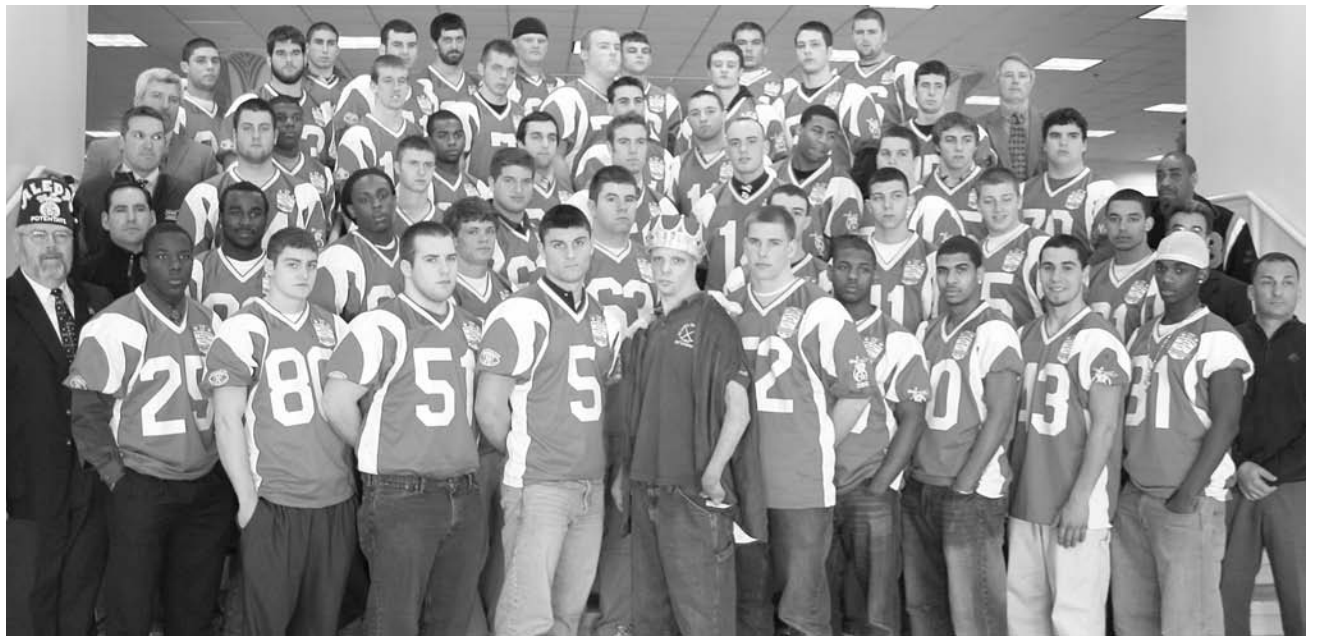

The day concluded with a brief player and coaches meeting for each of the squads as well as team photos. Following the days' activities, the players and parents were treated to hotdogs, hamburgers, fries and soda provided by the Stewards.

The 2008 Orientation was a success, and coaches, players and parents left motivated with the idea of making this year's Shrine Football Classic the best yet.

If you would like to support this year's classic by sponsoring a player, please contact Game Chairman, Peter Simmons at 978-779-6447 or 508-898-5676 for more information.
