

Aleppo Cycles

By GERRY STANGROOM

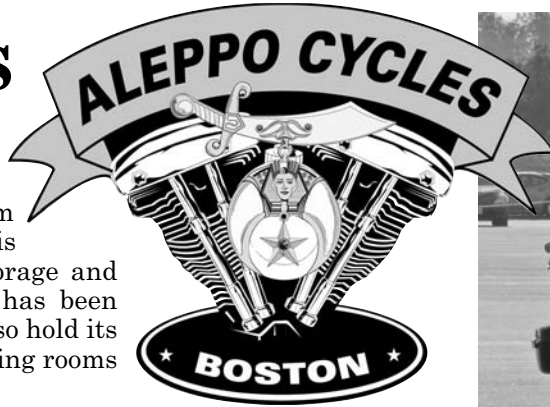

OUR thanks to the Director's Staff for giving up a portion of their room for the Cycle Unit's expansion. This additional room has been needed for storage and maintenance of the motorcycles, which has been very tight for a long time. The unit can also hold its meetings in their room, instead of borrowing rooms from other units.

Over the years the Motorcycle Unit has grown and with the new motorcycles (Harley Davidson 883 Sportsters), there is adequate room to move around while performing maintainance. The Provost Guard has helped out greatly in the past by allowing the unit to hold its meetings in their room. We thank them for their generosity.

The space is still under renovations but the September meeting was held in the new space, and was preceded by an excellent Chinese food meal. The Cycle Unit invites anyone attending a function at the Aleppo Shriners Auditorium to stop by and see the new setup.

The Unit extends their sincere condolences to the family and friends of Noble **Stephen T. Bissett**, Second Ceremonial Master and a valued member of the Cycle Unit's Drill Team. Noble Bissett passed away while attending the International Shrine Convention in Anaheim, California. Thank you to the Unit members who gave of their time to be part of the Honor Guard during the wake for Stephen.

The Unit also extends its sympathy to the family and friends of Noble **Peter Bloom**, the Units

THE CYCLES performing their flawless routine during the International Motor Corps competition at the Imperial Session in Anaheim, California.

Secretary, whose mother passed away during the summer.

On a happier note, we are glad to report that Noble **Doug Dodge** is recovering well from his recent injuries when he was rear-ended by a hit-and-run driver in New York during his trip to the Convention in California. Doug suffered severe cuts, scrapes and bruises to his legs, arms and hips. His motorcycle was destroyed, but he should be back up and riding next year after his new motorcycle arrives over the winter.

Due to the loss of two members of the Drill Team, Potentate **Albert D. Flight** granted permission to withdraw from the International Motor Corps competition. Instead, the team elected to honor their

comrades by competing with a smaller team. The result was their winning first place in the drill competition for their class, and taking first places in the obstacle course and the slow ride competition. The team was also awarded the sportsmanship trophy, which is held for one year by the awarded unit. This is the second time the unit has received this trophy.

Our congratulations to the drill team on their fine effort during such a trying time. The Unit will be participating in several parades and other events during the remainder of the year.

ALEPPO PIPE BAND

By AL DODGE

THE Aleppo Highlanders performed for the Nobility at the June 2, 2007, Ceremonial. As it is always a great crowd pleaser and the response from all in attendance seems to say it all. The band members extend a welcome to any and all new members of Aleppo, and an invitation to join the Aleppo Pipes and Drums, or, at the very least come to one of our practices. This unit holds practice every Tuesday evening here at the Shrine Center from 7:00 pm to 9:00 pm.

The Highlanders had the privilege of performing again at the Commencement exercises at Wentworth Institute on August 18. We have been performing at the May and August Commencements for over thirty (30) years. The Highlanders performed with a selection of traditional Scottish/Irish and Patriot pieces. It should be mentioned for the newest members of the Nobility, that the members of this unit volunteer their time and talents while Wentworth Institute in gratitude supplies a check for the Children's Transportation Fund. It's truly a great experience and an honor playing for this prestigious ceremony at the Institute for so many years.

Band members in attendance were: P/M Noble **Daniel F. Millett**

Pipers: Nobles **Robert H. Archibald; Robert L. MacNeil; Albert S. Dodge, Sr.; Douglas A. Yatsuhashi; Walter D. Harmer, Sr.;**

Drums: Nobles **Robert R. Wright** Dir/D/Sgt; **Robert G. Jessee** and **Tyler Jessee**.

The Aleppo Pipe Band performed in the Marlboro Parade on September 3rd. The weather was warm and there were large numbers of spectators to cheer us on. A big thank you goes to the members and their families of United Brotheran Lodge AF & AM. For the food and drinks which they provided to the band members, their families and friends made it possible for them to sit, rest and refresh themselves. They even had the grill going, offering some very tasty treats to add to the enjoyment of the day.

The members in attendance were: D/M Noble **William P. Davis;** P/M Noble **Daniel F. Millett**
