And you will see this screen explaining all about being a Virtual Mentor.

Become a Virtual Mentor

Do you remember that special person who made a difference in your life? The person who took the time to ask your name, introduce you around or show you the ropes? If we're lucky, we have one person in our lives who made a positive impact personally or professionally.

12. Communicate regularly with the Candidate and make sure he is getting his needs met and that he is getting properly educated about our fraternity.
